

HELP US CONTINUE CHANGING LIVES

Supporting vulnerable people across
South Derbyshire to rebuild their lives.

Every day, people across South Derbyshire face homelessness, poor mental health and social isolation.

At Commlyncx CIC, we provide more than accommodation — we provide safety, confidence and the opportunity to build a better future.

Since opening in 2016, we have helped hundreds of people take positive steps towards independent living.

OUR IMPACT LAST YEAR

32

Supported
accommodation
bed spaces

80

Vulnerable
individuals
supported

96

Referrals
received for
accommodation
support

1,500

Support and
guidance
sessions
delivered

181

Food donations
distributed

75%

Positive move-on
rate into
independent
living

81%

Experience
challenges with
their mental
health

24/7

Emergency
on-call support —
365 days a year

These are not just numbers. They represent real people whose lives have been transformed.

YOUR DONATION MAKES THIS POSSIBLE

£250

Could fund a community
trip and picnic — reducing
isolation and creating
positive shared
experiences.

£500

Could fund our cooking
club for three months —
building essential life skills,
improving nutrition and
strengthening social
connections.

**ANY
DONATION**

Will directly support
mental health, physical
wellbeing, confidence
and community
engagement.

A REAL IMPACT

“ One resident arrived having
experienced homelessness
and severe anxiety.

Through supported accommodation,
weekly mentoring and practical
life-skills sessions, they secured
employment and successfully
moved into their own tenancy.

**This is the difference
your support makes.**

WHY SUPPORT COMMLYN CX CIC?

LOCAL IMPACT

Making a real difference
to people in South Derbyshire.

IMPROVE WELLBEING

Supporting mental health,
confidence and long-term
independence.

CHANGE LIVES

Helping individuals move
beyond crisis and build
brighter futures.

CORPORATE SOCIAL RESPONSIBILITY

Demonstrate your commitment
to stronger, healthier communities.

OUR MISSION

“Making positive changes to develop the skills and confidence of individuals to become socially and economically independent and make positive contributions to the community in which they live. To participate as active equal citizens, have the best quality of life and have greater choice and control over their future.”

TOGETHER, WE CAN HELP MORE PEOPLE BUILD SAFER, BRIGHTER FUTURES.
